HOSE REEL REMOVAL AND REPLACEMENT AT WSSC'S FLEET GARAGES

IN-PERSON WORKTHROUGH SITE VISITS INSTRUCTIONS

Mandatory in-person walkthrough site visits will be conducted to allow Bidders to assess existing hose reel installations and site conditions. Attendance is required for all Bidders submitting a quote. Bidders who do not attend the mandatory in-person walkthrough site visits will be disqualified from consideration.

Walkthrough Site Visits Requirements:

- ✓ Bidders must attend and sign the official attendance log upon arrival.
- ✓ Bidders are responsible for taking their own measurements and photos.
- ✓ Questions may be asked during the walkthrough site visits; however, such responses are not official. To receive official responses to questions, bidders must submit their questions via the OpenGov solicitation.
- ✓ Bidder must bring appropriate PPE as required by facility rules (safety glasses, closed-toe shoes, Helmet, safety vest, etc.).
- ✓ Late arrivals may not be permitted to join once the group has moved into secured operational areas.

Walkthrough Site Visits Schedule:

Date: **April 21, 2026**

Time: **9:00 am EST**

Meeting Location (first stop):

The sequence of walkthrough site visits will include the following facilities:

- i. Equipment Shop – 4103 Lloyd Street, Hyattsville, Maryland 20781
