

Optional MHA-Led Site Walkthrough.

In addition to the optional self-guided site visits referenced in the RFP, MHA has scheduled an optional MHA-led site walkthrough of Golden Gate Village for **Thursday, August 20, 2026, at 1:30PM**

Prospective Proposers will meet at the **MHA Golden Gate Village Management Office, 429 Drake Avenue, Marin City CA 94965**, for a brief orientation and will then walk the property with MHA staff familiar with existing site conditions. The walkthrough is anticipated to last approximately one to two hours.

Attendance is optional and is not a condition of submitting a proposal. Proposers who do not attend the MHA-led walkthrough may continue to conduct optional self-guided site visits in accordance with the requirements of this RFP.

The MHA-led walkthrough is intended to provide Proposers an additional opportunity to observe existing physical conditions and become familiar with the landscape, irrigation, drainage, access, hillside, and other site conditions relevant to the Scope of Work.

The walkthrough is informational only and does not modify or supersede the RFP, Scope of Work, or Contract requirements. Questions regarding the Scope of Work, quantities, service frequencies, pricing, Contract requirements, or other matters affecting proposal preparation must be submitted through OpenGov in accordance with the solicitation.

Proposers and their representatives shall not seek procurement-related information from MHA staff, residents, contractors, or other persons encountered onsite. **Only written information formally issued by MHA through the solicitation, OpenGov Q&A, or an addendum may be relied upon in preparing a proposal.**
